

## KNaNO House Rules

DM's (Dungeon Monitors) are here to help you, and to ensure that the rules are respected.

### Respect the site - don't be the one who gets us kicked out!

- Use the equipment at your own risk
- No penetration (vaginal or anal)
- No oral-to-genital or oral-to-anal contact
- Other sexual activities (e.g. external stimulation) are permitted
- No flame is allowed (no fire play, no candles)
  - Wax play is permitted - electric heaters, bring a drop cloth, no wax on floors!
- No outside food or drink permitted
- Smoking ONLY in the enclosed area at the back (not in the parking lot)
- No liquids/fluids on the wood floor

### Respect the other guests

- Do not touch people or things without permission
- Play only in designated areas unless cleared by a DM
- Don't crowd other scenes
- Avoid disrupting others with loud noises or comments
- Do not join any scene unless you are invited
- Full nudity is allowed

- Photography is OK with consent from EVERYONE in the pic
  - Watch for reflections, background, and partial bodies
  - No video or audio recordings are allowed
  - [Photo Policy](#) violations are consent violations & grounds for expulsion/banning

### Play Safe

- Respect limits and safewords - the event safeword is RED
- Using a hood, gag, etc. requires another signal (arrange with DMs)
- If RED is called, scenes **must** stop until the issue is resolved –
  - If they don't the DMs will intervene
- Clean equipment with the provided wipes after your scene
- Temporary piercings must be either removed or capped before leaving the equipment
  - You must bring your own bio-hazard disposal system

### Respect the DMs

- The decisions of the DMs regarding safety and security issues are final
- If a scene is "edgy", needs extra precautions, or might bend a rule - consult a DM first
- DMs are here to help. Ask & we'll see how we can help make your scene happen

Thanks, and enjoy the party!
